Tomorrow is 2014
When I'll be 32
And we'll be 13
But will there be enough room for me?
Enough oxygen, for me to breathe

Oh yeah oh yeah

I looked in into my crystal ball See gummies in the sunny Riding moonbeams into money But they're the guilty phase Gluttony just doesn't pay So volunteer your journey It's good publicity

Da da da da da da

In full force
In full stride
Side by side 'till 2025

In full force
In full stride
Side by side 'till 2025
Lie lie lie lie lie lie lie lie...
