

Hellfire

The Union

Hell fire!!!
Burn my flesh
And absorb my body
Expand in beautiful flames
In all universe

Hell fire!!!
Fill me with pride
Be in my eyes
Curse of angels
Blaspheme of demons

My eyes closed for the earth
My eyes weary with the world
You see nothing except me
You see nothing except night

Hell fire!!!
Hell fire!!!
Hell fire!!!
Be inspiration
Be dark art
Be witchcraft
Be my kingdom

Hell fire!!!
Hell fire!!!
Hell fire!!!
Hell fire!!!
