

Choose Nothing

The Unjust

Feel strong..
Awakening..
Choose nothing..

In this hope filled times..
Our excellence..
Choose nothing..

Candlelights.. candlelights.. for them
Now the only thing that matters now.. is inside you

Sealed Homes..
Closed images..
Choose nothing..

It's a blood filled sky..
Our Evidence..
Choose nothing..

Candlelights.. candlelights.. for them
Now the only thing that matters now.. is inside you

Now the only craze is our sheltered ways.

Back off and look a bit closer
The way it ought to be
Now this climate is a bitter rage

Candlelights.. candlelights.. for them
Now the only thing that matters now.. is inside you

Feel strong..
Awakening..
Choose nothing..
