

How I Am

The Unlikely Candidates

Don't ask me no questions
Hello how are you
I don't know what to say
Cause if I pretend and give you answer
Would you care anyway
When everybody's wants something from me I get out of rhythm
I already hid all the pills cause I'm no better with them
I'd rather be sad than happy on demand

That's just how I am yeah
That's just how I am don't
Tell me how to feel cause
I won't understand yeah
That's just how it is no
I don't got a plan yeah
One double zero keeping it real as I can yeah
That's just how I am
That's just how I am

Come knock on my door
If you really want to
I won't send you away
But I won't apologize if I happen
To have nothing to say
I've been living in a wasteland
Shaking cold hands
Sinking in the quicksand
I don't got a master plan man
Doin what I can man
If you give a damn man
Try to understand man

That's just how I am yeah
That's just how I am don't
Tell me how to feel cause
I won't understand yeah
That's just how it is no
I don't got a plan yeah
One double zero keeping it real as I can yeah
That's just how I am yeah
That's just how I am don't
Tell me how to feel cause
I won't understand yeah
That's just how it is no
