Boston United

The Unseen

Fuck the world, Boston's better Skins and punks get together We all know who are true friends And we'll be together 'till the end

This is Boston, we are the punks and skins This is Boston, the drinking never ends This is Boston, don't give us any shit This is Boston, skins and punks in the pit

Do what we wanna do We are the proud, we are the few If you don't dance, you won't get hit So don't fuckin' cry about our pit

This is Boston, not New York or La This is Boston, not DC or the East Bay This is Boston, where it's at This is Boston, fuckin' home of the rat This is Boston, fuck you
