

Bloody Nose

The Used

Do you think I had a choice?
Tell me where the noise comes from
Do you think I wanted this?
Mama it's a trip, I'm gone
Even on my worst nights, I'll never stop the sunrise

I've been on a roll
But I'm going way too fast
Clear the road
I'm looking for a place to crash and burn
Oh, tell me do I deserve what's coming
I've been on the ropes
Funny that I feel so strong
Bloody Nose, never thought it'd take this long to learn
Oh, tell me do I deserve what's coming

Stuck inside a cage
I kinda wanna stay, kinda wanna stay fucked up
I never had a chance, I never had a chance, I had to learn to dance fucked up
Even on my worst nights, I'll never stop the sunrise

I've been on a roll
But I'm going way too fast
Clear the road
I'm looking for a place to crash and burn
Oh, tell me do I deserve what's coming
I've been on the ropes
Funny that I feel so strong
Bloody Nose, never thought it'd take this long to learn
Oh, tell me do I deserve what's coming
Will I get what I deserve?

I've been on a roll
But I'm going way too fast
Clear the road
I'm looking for a place to crash and burn
Oh, tell me do I deserve what's coming
I've been on the ropes
Funny that I feel so strong
Bloody Nose, never thought it'd take this long to learn
Oh, tell me do I deserve what's coming
