## **Melody Calling**

Oh I, How could I go on with it much further? I didn't think that it would go any further, But now it has and it's making me nervous, A wonderful motion, That is carrying in your every notion, Oh I, I think I might be losing my mind Because when I hear a melody calling, It's your melody calling? Isn't anyone calling? Melody calling Melody calling [4x] Oh I (Oh, I) I just hear the undeniable order, I hear it coming while you are colder I hear it moving and cooling the border, And crossing the ocean, And carrying your every notion Oh I, I think, I might be losing my mind Because when I hear a melody calling, It's your melody calling Isn't anyone calling? Melody calling Melody calling [4x] Oh, when I hear a melody calling, It's your melody calling Isn't anyone calling? Melody calling Melody calling [4x] Melody calling [4x]
