

Planet of the Youth

The Vaccines

Let's set the controls for the hole in your heart
Hope you know your way around your astral chart
Because you're not allowed your phone up in digital heaven

Yeah, yeah, yeah, yeah
If you're not in love or it's ever in doubt
Enter the coordinates I told you about
And I can get us any table on this side of Armageddon
Yeah, yeah, yeah, yeah

Because I can't keep waitin' 'round 'til the end of the Earth
I've started feelin' old, think I'm losing my worth
How am I supposed to know when you're telling the truth?
You treat me like an alien
On the planet of the youth

Step into the truth, you can sue if you trip
You can read my mind, you can put in the chip
But I'm only ever thinking if I've made a good impression
Yeah, yeah, yeah, yeah
Look into the light, let me give you the tour
But let's get out of town for the infinity wars
Because we can't afford a place the other side of Armageddon
Yeah, yeah, yeah, yeah

Because I can't keep waitin' 'round 'til the end of the Earth
I've started feelin' old, think I'm losing my worth
How am I supposed to know when you're telling the truth?
You treat me like an alien
On the planet of the youth

We could sit in silence
Communicate on mute
The world might end tomorrow
At least we'd hear en route

Because I can't keep waitin' 'round 'til the end of the Earth
I've started feelin' old, think I'm losing my worth
How am I supposed to know when you're telling the truth?
You treat me like an alien

Oh, I can't keep waitin' 'round 'til the end of the Earth
I've started feelin' old, think I'm losing my worth
How am I supposed to know when you're telling the truth?
You treat me like an alien
On the planet of the youth
