The Winner Takes It All

The Vaccines

I don't wanna talk about things we've gone through, Though it's hurting me, now it's history. I've played all my cards and tha t's what you've done too, Nothing more to say, no more ace to p lay. The winner takes it all, The loser standing small beside t he victory, that's her destiny.

I was in your arms thinking I belonged there, I figured it made sense, building me a fence, Building me a home, thinking I'd be strong there, But I was a fool, playing by the rules. The god s may throw a dice, their minds as cold as ice, And someone way down here loses someone dear.

The winner takes it all, the loser has to fall, It's simple and it's plain, why should I complain.

But tell me, does she kiss like I used to kiss you, Does it fee I the same when she calls your name. Somewhere deep inside you must know I miss you, But what can I say, rules must be obeyed. The judges will decide the likes of me abide, Spectators of the show always staying low.

The game is on again, a lover or a friend, A big thing or a small, the winner takes it all.

I don't wanna talk if it makes you feel sad, And I understand y ou've come to shake my hand. I apologize if it makes you feel b ad seeing me so tense, no self confidence
