

**F**

1. If at some point we all succumb  
For goodness sake let us be young  
Because time gets harder to outrun  
And I'm nobody, I'm not done  
With a cool cool breeze and dirty knees  
I rest on childhood memories  
We all got old at breakneck speed  
Slow it down, go easy on me

**B C**

X: Go easy on me

**B C**  
Aaah aaah ah-ah aaah

**B C**  
aaah aaah ah-ah ah,

**F**  
ah-ah aahh

**F B C**

R: Put a wetsuit on, come on, come on

**F B C**  
Grow your hair out long, come on, come on

**F**  
Put a t-shirt on

**B C F**  
Do me wrong, do me wrong, do me wrong

2. If it's up and after you  
What do you suppose that you would do?  
You're all whacked out from lack of sleep  
You blame it on the friends you keep  
You want to do things differently  
And do them independently  
We all got old at breakneck speed  
Slow it down, go easy on me

X: Go easy on me...

R: Put a wetsuit on, come on, come on... (2x)

**B F**

\*: Does holy water make you pure?

**B F**  
Submerged your vision's just obscured

**B F**  
You're a lot like me

**B F**  
In up to our knees

**B F C**  
In over your chest is way too deep

R: Put a wetsuit on, come on, come on... (2x)
