

Sometimes

The Vamps

Should I be waiting on the high life
Where we all drink champagne
Fly first class on jet planes
Rub shoulders in the right way

We had a conversation about
How I should be received
And everyone agreed
Everyone except me

Maybe I'm selfish
Could be obscene
But it feels like home
When you're next to me
And I don't want to leave

If I had a choice
Well then I'd choose
To make you walk a mile in my shoes
What have you got to lose?

So I've been waiting for an opportunity
Just to speak my mind
If that's alright
Might just be a couple hours out of my whole week
Usually I'm fine
It's ok not to be ok, sometimes

I've been looking for some comfort in a strangers bed
All it does is fuck my head up
Now I'm right back to square one

But if you're looking for some comfort you've come to the right place
We all get down some days
I struggle just to put my t-shirt on
But I hope you find some strength in this song

Maybe I'm selfish
Could be obscene
But I'm just trying to make you see what I see
Everyone's like me

So I've been waiting for an opportunity
Just to speak my mind
If that's alright
Might just be a couple hours out of my whole week
Usually I'm fine
It's ok not to be ok, sometimes

Sometimes
Sometimes
Sometimes
Sometimes
Sometimes
