

# Waves

The Vamps

My hands are shaking  
Holding photos taken  
And I wanna get you out of my head  
I'm bruised and broken  
By the words I've spoken  
And there's not much of me left

The cold in my bones  
I feel it in any way  
Ghosts in my home  
They leave 'cause they can find much better  
Lo and behold  
I'm on my own  
With only myself to blame

'Cause I'm a fool  
I let you down, I let you down  
I made waves  
I'm ashamed  
Was all for you  
I let you down, I messed around  
I made waves  
My mistakes, yeah

I know I'm not perfect  
And I know you're hurting  
I'm sorry that I wasn't there  
When I call in the morning  
Without any warning  
I'll say all the things  
That I should've said

The cold in my bones  
I feel it in any way  
Ghosts in my home  
They leave 'cause they can find much better  
Lo and behold  
I'm on my own  
With only myself to blame

'Cause I'm a fool  
I let you down, I let you down  
I made waves  
I'm ashamed  
Was all for you  
I let you down, I messed around  
I made waves  
My mistakes, yeah

So can't we go back?  
Can we go back?  
To when nothing really mattered at all  
So can't we go back?  
Can we go back? Yeah

'Cause I'm a fool  
I let you down, I let you down

I made waves  
I'm ashamed  
Was all for you  
I let you down, I messed around  
I made waves  
My mistakes

I'm a fool  
I let you down, I let you down  
I made waves  
I'm ashamed  
Was all for you  
I let you down, I messed around  
I made waves  
My mistakes, yeah

I made waves  
All for you  
I let you down
