

Hey Holmes!

The Vandals

Hey homes, don't front my set
Hey homes, don't front my set
Hey homes, don't front my set
Hey homes, don't front my set

(Word!)
You fuck with me, you fuck with the crew
(Word!)
The dumbest thing you'll ever do
(Word!)
Don't front my set, I got the power
(Word!)
I got some guys comin' in from bellflower

Hey homes, don't front my set
Hey homes, don't front my set
Hey homes, don't front my set
Hey homes, don't front my set

(Word!)
Me and my home boys just don't dig
(Word!)
You bustin' turf and strartin' shit
(Word!)
Crazy, crazy, close you stay
(Word!)
What the fuck did I just say?

Hey homes, don't front my set
I said hey homes, don't front my set
Hey homes, don't front my set

Hey homes, don't front my set
Hey homes, don't front my set
Hey homes, don't front my set
Hey homes, don't front my set

(Word!)
This ain't no downtown box of wine
(Word!)
Homey bus head, he did no time
(Word!)
He jacked his ride, cold set up heads
(Word!)
Just stop me if I'm makin' sense

Hey homes, don't front my set
Hey homes, don't front my set
Hey homes, don't front my set
Hey homes, don't front my set
