

The Frog Stomp

The Vandals

Do the Frog Stomp!
Do the Frog Stomp!
Do the Frog Stomp!
Do the Frog Stomp!

I loath those creatures with their staring eyes
So I stomp those things I despise
They're green and they're hoppin'
They're not so mean. We can stop 'em

Do the Frog Stomp!
Do the Frog Stomp!
Do the Frog Stomp!
Do the Frog Stomp!

I saw the late show how they all attacked
Now my frog-phobia has me fighting back
They're green and they're hoppin'
They're not so mean. We can stop 'em

Do the Frog Stomp!
Do the Frog Stomp!
Do the Frog Stomp!
Do the Frog Stomp!

It's not the commies that I'm worried about
It's those green slimy things. I can take them out
They're green and they're hoppin'
They're not so mean. We can stop 'em

They're green and they're hoppin'
They're not so mean. We can stop 'em

Do the Frog Stomp!
Do the Frog Stomp!
Do the Frog Stomp!
Do the Frog Stomp!

I loath those creatures with their staring eyes
So I stomp those things I despise
They're green and they're hoppin'
They're not so mean. We can stop 'em

With the Frog Stomp!
