

## Urban Struggle

The Vandals

I want to be a Cowboy  
I got to be a Cowboy  
I'm born to be a Cowboy  
I want to be a Cowboy  
A Cowboy! Uh-huh  
Tonight we're taking my fast car  
Were gonna go down to the Cowboy bar  
I'm gonna wait till the club is full  
and I'm gonna ride the mechanical bull  
Cowboy look is the one I sought  
Can't change now cause the clothes are  
bought  
To be a true Cowboy was my fate  
I can't help it if I was born late  
All the Cowgirls in their Stetson hats  
and their tight fitting jeans so they don't  
look fat  
We'll all be listening to the Cowboy tunes  
and stomp around like a bunch of goons  
Cowboy look is the one I sought  
Can't change now cause the clothes are  
bought  
To be a true cowboy was my fate  
I can't help it if I was born late  
We're all OD'd on the Olden West  
seein' who's Cowboy clothes look the  
best  
I can ride that phony bull so damn good  
Sometimes I think I'm Clint Eastwood  
Cowboy look is the one I sought  
Can't change now cause the clothes are  
bought  
To be a true cowboy was my fate  
I can't help it if I was born late  
I know I'm a Cowboy deep inside  
My hat band's made out of synthetic  
rattle snake hide  
After a couple shit kickin' Cowboy movies  
I'll check out the Cowboy scene down at  
Zubie's  
Cowboy look is the one I sought  
Can't change now cause the clothes are  
bought  
To be a true cowboy was my fate  
I can't help it if I was born late  
Find out who all fights the best  
We start fights with them punks at the  
Cuckoo's Nest  
Those damn punks are crazy (though)  
and meaner than a bull at a rodeo  
Cowboy look is the one I sought  
Can't change now cause the clothes are  
bought  
To be a true cowboy was my fate  
I can't help it if I was born late  
You call me an Urban clone of course  
A big deal if I'm afraid to ride a horse

With a broken nose and a fucked up knee  
Maybe this Cowboy scene just ain't for  
me  
Cowboy look is the one I sought  
Can't change now cause the clothes are  
bought  
To be a true cowboy was my fate  
I can't help it if I was born late  
Yee Haw  
Cowboy look is the one I sought  
Can't change now cause the clothes are  
bought  
To be a true cowboy was my fate  
I can't help it if I was born late  
( I couldn't make it as a Punker )
