

I Don't Remember

The Vapors

I don't remember more than half of what we had
Just the good times none of the bad
I don't remember now it's fading clean away
Into darkness and shades of grey

I don't remember this I don't remember you
I don't remember things that I'm supposed to do
I don't remember words that I'm supposed to sing
Although I wrote them I don't remember anything

Woah oh oh
But then it comes to me
Woah oh oh
But then it comes to me
Woah oh oh
But then it goes

I don't remember how we ended up like this
Just life is beautiful I feel so blessed
I don't remember how you came to be my friends
Just that I love you I wouldn't change a thing

I don't remember this I don't remember you
I don't remember things that I'm supposed to do
I don't remember words that I'm supposed to sing
Although I wrote them I don't remember anything

Woah oh oh
But then it comes to me
Woah oh oh
But then it comes to me
Woah oh oh
But then it goes

It comes and goes
Woah woah oh oh oh oh
Woah woah oh oh oh oh
It comes and goes
It comes and goes

It comes and goes

I don't remember more than half of what we said
Only the good stuff none of the bad
I don't remember now what I did yesterday
It may have been crazy but I may have stayed in bed

I don't remember this I don't remember you
I don't remember things that I'm supposed to do
I don't remember words that I'm supposed to sing
Although I wrote them I don't remember anything

Woah oh oh
But then it comes to me
Woah oh oh
But then it comes to me
Woah oh oh

But then it goes
