

## Dum-Dum

The Vaselines

I'm a real dum-dum, I'm a son of a gun,  
I was born to walk, but I wanted to walk,  
I'm a real dum-dum, I even left my mom,  
Cause I get on my knees, and I do what I please.

Dum-dum,  
Dum-dum,  
Dum-dum,  
Dum,  
Dum-dum,  
Dum-dum

I'm a real dum-dum, but I don't mind,  
I got a dum-dum girl, we're two of a kind,  
I'm a real dum-dum, I'm gonna find the sun,  
I'm gonna do what I want, everyday that I please,

I'm a real dum-dum, Just look at the fun,  
I'm gonna get my pics already, satan, satan,  
I'm a real dum-dum, hey, I don't care,  
If you wanted to know I'm a don't carebear.
