

## Teenage Superstars

The Vaselines

I'm a teenage Jesus superstar without a mighty cross to bear,  
And when mom complains about my hair,  
I say hey mom I just don't care.

I'm in hell and the angels cry cause I'm trying to sell my soul  
,  
And when mom complains about my clothes,  
I say hey mom leave me alone.

Come on little girl, it's gonna be alright,  
Come on little girl, it's gonna be alright,  
I got one thing on my mind girl,  
I got one thing on my mind and I don't care.

I'm a teenage Jesus superstar.
