The Veer Union

How can I decide what's right?
When you're clouding up my mind
I can't win your losing fight
All the time
Nor could I ever own what's mine
When you're always taking sides
But you won't take away my pride
No, not this time
No, not this time

How did we get here
When I used to know you so well?
How did we get here?
Well, I think I know

The truth is hiding in your eyes
And it's hanging on your tongue
Just boiling in my blood
But you think that I can't see
What kind of man you are
When you're not a man at all
Well, I'll figure this one out
On my own
On my own

How did we get here?
When I used to know you so well?
How did we get here?
Well, I think I know

Do you see what we've done?
We're gonna make such fools of ourselves
Do you see what we've done?
We're gonna make such fools of ourselves

How did we get here
I used to know you so well?

I think I know
I think I know

There is something
I see in you
It might kill me
I want it to be true
