I will break into your thoughts With what's written on my heart I will break, break

I'm so sick, infected with
Where I live
Let me live without this
Empty bliss, selfishness
I'm so sick
I'm so sick

If you want more of this
We can push out, sell out, die out
So you'll shut up (shut up)
And stay sleeping
With my screaming in your itching ears

I'm so sick, infected with
Where I live
Let me live without this
Empty bliss, selfishness
I'm so sick
I'm so sick

Hear it, I'm screaming it

You're heeding to it now Hear it, I'm screaming it You tremble at this sound

You sink into my clothes This invasion makes me feel Worthless, hopeless, sick

I'm so sick, infected with Where I live Let me live without this Empty bliss, selfishness I'm so, I'm so sick

I'm so sick, infected with
Where I live
Let me live without this
Empty bliss, selfishness
I'm so (I'm so)
I'm so sick (I'm so sick)
I'm so sick (I'm so sick)
