

# The Tide That Left and Never Came Back

The Veils

I'm sick from this city  
It burns in my side  
Ships are leaving  
Shine so bright in the nighttime

Though my memory's fading  
It's you that I find  
If only you could stay and  
Leave me behind

The tide that left and never came back  
Is on my mind tonight  
Cause it's a small town  
It misses you my love

The tide that left and never came back  
Is on my mind tonight  
Cause it's a small town  
It misses you my love

Don't fall into all  
Those sad stories you write  
Your voice is so pretty  
When it gets caught in the right rhyme

Though my memory's fading  
It's you I find  
If only you could stay and  
Leave me behind

The tide that left and never came back  
Is on my mind tonight  
Cause it's a small town  
It misses you my love

The tide that left and never came back  
Is on my mind tonight  
Cause it's a small town  
It misses you my love

The tide that left and never came back  
Is on my mind tonight  
Cause it's a small town  
It misses you my love

It's a small town  
It misses you my love

It's a small death  
It's a broken town and  
It misses you my love
