

Undertow

The Veils

Just like my daddy did before me
And like my mother did for sure
They did their best to try and warn me
Just what awaits behind the door

And all it takes
Is all my love
And all it takes
Is all my love
It's in the blood
It's in the blood
It's in the blood
It's in my-
It's in my blood

Let the brink, you feel it better
You spill the ink over the page
This mine of gold help to forget I'm
Just a man bird singing in a cage

And all it takes
Is all my love
And all it takes
Is all my love
It's in the blood
It's in the blood
It's in the blood
It's in my-
It's in my blood

And all it takes
Is all my love
And all it takes
Is all my love
It's in the blood
It's in the blood
It's in the blood
It's in my-
It's in my blood

And I'm going deep
In the great undertow
And I can't escape
From the great undertow
And I'm going deep
In the great undertow
