

Cruisin' On My Own

The Veronicas

I won't be wastin' my time
For some kinda love that ain't mine
Consider this my only wish
Consider this my goodbye kiss

I won't be spending my money
On sticky molasses and honey
Consider this my goodbye kiss
Cos I know how to get my kicks

You'll find me cruisin'
On my own
The slower the trip the sweeter the road
You'll find me cruisin'
On my own
Ridin' the highs all the way home

Got me like oh!
(Oh oh oh oh)
(Oh oh oh oh)
(Oh oh oh)

Won't say that I'm superstitious
But I don't need no other witness
Cos you are easy to adore
But I am gonna love me more

You'll find me cruisin'
On my own
The slower the trip the sweeter the road
You'll find me cruisin'
On my own
Ridin' the highs all the way home

Got me like oh!
(Oh oh oh oh)
(Oh oh oh oh)
(Oh oh oh)

Got me like oh!
(Oh oh oh oh)
(Oh oh oh oh)
(Oh oh oh)
