

Detox

The Veronicas

Don't wanna chase you
But I can taste you
Don't know if I love you or I hate you
I'm on my knees
I'll never leave
I love my friends like I love all my enemies

Ah, ah, ah, ah-ah, I wanna sweat
Ah, ah, ah, ah-ah, can't catch my breathe
Ah, ah, ah, ah-ah, I'm so obsessed
I need a detox

When I close my eyes I see you
When I'm paralyzed I feel you
Have I lost my senses?
With you I'm so defenseless
No matter what I do, I can't seem to quit you

5, 4, 3, 2, 1, you got me under your thumb
Under your thumb
5, 4, 3, 2, 1, you got me under your thumb
Under your thumb

I think I've overdosed
I'm not dead but I'm coming close
Got your name stuck in my throat
Got your ghost inside in my bones

Ah, ah, ah, ah-ah, I wanna sweat
Ah, ah, ah, ah-ah, can't catch my breath
Ah, ah, ah, ah-ah, I'm so obsessed
I need a detox

When I close my eyes I see you
When I'm paralyzed I feel you
Have I lost my senses?
With you I'm so defenseless
No matter what I do, I can't seem to quit you

5, 4, 3, 2, 1, you got me under your thumb
Under your thumb
5, 4, 3, 2, 1, you got me under your thumb
Under your thumb

I'm sinkin' in to the toxic feeling
I'm falling in through the stained glass ceiling
I'm sinkin' in to the toxic feeling
I'm falling in through the stained glass ceiling

Under your thumb
Under your thumb
Under your thumb
Under your thumb
Under your thumb
