

Don't Make Me

The Veronicas

JESS:I stared into your eyes a second longer than I should have
Maybe than I would have realized and stop myself again from falling
Deep down hitting the ground so fast I didn't have the time to turn around
Wonder how I got here

LISA:So now I live my life each moment knowing I can't have you
My hope for love is drowning every single time I hear your
Whole name going insane
I can't take no more don't wanna break you in
You're the only one who can stop me

OBĚ: Don't make me feel
JESS:Like I'm the only one
OBĚ: Don't make me think
LISA:That it's only just begun
OBĚ: Don't make me love you
JESS:I don't want to this time
LISA:Time
JESS:I shouldn't
OBĚ:Chase what I can't find

LISA:Instead of pushing you I hold you there to make me stronger
I can't forget him so I hold the pain in even longer

JESS:Her now closing my eyes to everything that I might feel inside
Hurts to have you near me

OBĚ: Don't make me feel
JESS:Like I'm the only one
OBĚ: Don't make me think
LISA:That it's only just begun
OBĚ: Don't make me love you
JESS:I don't want to this time
LISA:Time
JESS:I shouldn't
OBĚ:Chase what I can't find

LISA:It's so hard to make you see
What's going on inside of me
JESS: Don't wanna hear when you say you need me
Your love will bring me down
LISA:And now I feel
JESS:This isn't real
OBĚ:Real

OBĚ: Don't make me feel
JESS:Like I'm the only one
OBĚ: Don't make me think
LISA:That it's only just begun
OBĚ: Don't make me love you
JESS:I don't want to this time
LISA:Time
JESS:I shouldn't
OBĚ:Chase what I can't find

OBĚ:You make me feel
JESS:I'm the only one

OBĚ:You make me think
LISA:That it's only just begun
OBĚ:You make me love you
JESS:I don't want to this time
LISA:Time
JESS:I shouldn't
OBĚ:Chase what I can't find
