

# The Wild Side

The Veronicas

Say oh oh oh  
Say oh oh oh

I'll tell you about a story that you wanna hear  
We're bouncing off the walls but we don't care  
Forget about the rules, we'll just let them slide  
We're calling all the girls with the wild side

Well I don't want to compromise  
No, I won't this time

I know things don't always work out like we planned  
Say oh oh oh  
Say oh oh oh  
Somehow things are gonna play out in the end  
Say oh oh oh  
Say oh oh oh

(Say oh oh oh)

Welcome to the city where the fun won't stop  
It's time to shake the world with the sound of rock  
Forget about the cost, step up, don't be shy  
'Cause this one's for the girls with the wild side

You won't have to compromise  
No, you won't this time

I know things don't always work out like we planned  
Say oh oh oh  
Say oh oh oh  
Somehow things are gonna play out in the end  
Say oh oh oh  
Say oh oh oh

Oh oh oh  
Oh oh oh  
Oh oh oh

I know things don't always work out like we planned  
Say oh oh oh  
Say oh oh oh  
Somehow things are gonna play out in the end  
Say oh oh oh  
Say oh oh oh

This is for the girls with the wild side
