

# What Are You Gonna Do

The Veronicas

Uh

I see you standing  
Others reacting  
I see you whispering 'bout me  
I know your games (games)

Would you have told me  
Or left me lonely  
Don't question me when you  
Are to blame

(Ooh) I heard the rumors  
I heard the stories (Ooh)  
How was I supposed to act?  
(Ooh) You said it was okay  
(Ooh) I found you were so wrong now you  
Say you want me back

Boy you've got decisions to make  
It won't be my heart you'll break  
What are you gonna do?  
I want you to explain to me  
Won't love you that easily  
What are you gonna do?

We were together  
But, but now it's over  
Don't you come crawling back I  
Don't feel the same (same)

You had your chance and  
Don't understand when (when)  
You broke my heart and you-you have not changed (that's right)

(Ooh) You played me over  
And went off with her (Ooh)  
How-how was I supposed to act?  
(Ooh) You say she is nothing  
(Ooh) And now I mean something to you  
I don't want you back

Boy you've got decisions to make  
It won't be my heart you'll break  
What are you gonna do? (I, I)  
I want you to explain to me  
Won't love you that easily  
What are you gonna do?  
Cuz I'm not in love with you

(In a very strange and uncommon way!)

Explain yourself to me  
I don't need this no more, no more  
E-e-explain yourself to me  
I don't need this (this) no more, no more

Boy you've got decisions to make  
It won't be my heart you'll break  
What are you gonna do?  
I want you to explain to me  
Won't love you that easily  
What are you gonna do? (Do do d-d-d-d-d-do)

Boy you've got decisions to make (explain yourself to me)  
It won't be my heart you'll break (I don't need this no more, no more)  
What are you gonna do? (I, I)  
I want you to explain to me (explain yourself to me)  
Won't love you that easily (I don't need this no more, no more)  
What are you gonna do?  
(Cuz I'm not in love with you)
