When I was young I knew everything
And she a punk who rarely ever took advice
Now I'm guilt stricken, sobbing with my head on the floor
Stop a baby's breath and a shoe full of rice

I can't be held responsible
'Cause she was touching her face
I won't be held responsible
She fell in love in the first place

For the life of me I cannot remember What made us think that we were wise and we'd never compromise For the life of me I cannot believe we'd ever die for these sins We were merely freshmen

My best friend took a week's vacation to forget her His girl took a week's worth of valium and slept And now he's guilt stricken sobbing with his head on the floor Thinks about her now and how he never really wept he says

I can't be held responsible
'Cause she was touching her face
I won't be held responsible
She fell in love in the first place

For the life of me I cannot remember What made us think that we were wise and we'd never compromise For the life of me I cannot believe we'd ever die for these sins We were merely freshmen

We've tried to wash our hands of all of this
We never talk of our lacking relationships
And how we're guilt stricken sobbing with our heads on the floor
We fell through the ice when we tried not to slip, we'd say

I can't be held responsible
'Cause she was touching her face
And I won't be held responsible
She fell in love in the first place

For the life of me I cannot remember What made us think that we were wise and we'd never compromise For the life of me I cannot believe we'd ever die for these sins We were merely freshmen

For the life of me I cannot remember What made us think that we were wise and we'd never compromise For the life of me I cannot believe we'd ever die for these sins We were merely freshmen

We were merely freshmen We were only freshmen
