

Public Enemy No. 1

The Vibrators

It's a hard hard world
Now you ought to know
And you with your position
Gotta let you go

You run around, but you get nothing done
You never ever know what's going on
Public Enemy - Number one

Now you want some fun

You better work it out

You run around, but you get nothing done
You never ever know what's going on
Public Enemy - Number one

You can take a tip from me
Don't need no song and dance
You can take a tip from me
I need...

It's a hard hard world
Now you ought to know
And you with your position
Gotta let you go

You run around, but you get nothing done
You never ever know what's going on
Public Enemy - Number one (2x)
