

# Warzone

The Vibrators

Feels like 1945,  
Put your hands above your head if you wanna stay alive.  
You think carrying guns is fun  
I got the final solution, got the neutron bomb.

Well you broken down low-life take your hands off me,  
Or I'll give you the brightest sunset that your ever gonna see.

Honey have I got a surprise for you,  
Stick my bayonet right through you.

Well it's a warzone baby, ooh yeah  
Well it's a warzone baby, ain't you glad it's for real.  
It's a warzone baby, ooh yeah,  
Well it's a warzone baby, movin' in for the kill.

I'm like an atomic reactor honey that's all,  
But you'd better watch out 'cos I'm going critical.

Well it's a warzone baby, ooh yeah,  
It's a warzone baby, alright.  
Well it's a warzone baby, I know what I'm talking about.  
Well it's a warzone baby, ooh yeah.  
Well it's a warzone baby, aaagh!  
Well it's a warzone baby, c'mon c'mon.  
Well it's a warzone baby, ooh yeah.  
Well it's a warzone baby.
