

# Robot Man

## The Vindictives

Crave communication  
See me this is my life in the crazy robot man reservation  
Do you feel him, the cold vibration  
'Cause a man everywhere, produce a crazy science fiction creati  
on

And I say oooh, oooh  
I'm a robot man  
And I say oooh, oooh  
I'm a loser  
And I say oooh, oooh  
I'm a robot man  
I lost my mind  
I lost my life  
I lost my soul

Babe, it's a magic station  
Where we live what we do with our magic from my generation  
And I say babe, it's not a vision  
It's reality, this is a robot scene what we live in.

And I say oooh, oooh  
I'm a robot man  
And I say oooh, oooh  
I'm a loser  
I say oooh, oooh  
I'm a robot man  
I lost my mind  
I lost my life  
I lost my soul

And I say oooh, oooh  
I'm a robot man  
And I say oooh, oooh  
I'm a loser  
I say oooh, oooh  
I'm a robot man  
And I say oooh, oooh  
I'm a loser
