

Outtathaway

The Vines

I get
What I own
Don't let
The feelings that I choose
'Cause everybody else do

Gotta get outtathaway!
No time for me to stay
Everyone in the world dont affect you

We think
You're a lot different
Your number ain't your thing
Your life is on the wrong end

Gotta get outtathaway!
No time for me to stay
Everyone in the world dont affect you

C'mon
C'mon
C'mon

Gotta get outtathaway!
No time for me to stay
When I speak out of line
I don't believe in time
