

# Waitin

The Vines

I'm waitin' for you now  
To tell me the score  
Been waitin' so long now  
I don't know anymore

I won't ever, ever love you baby  
I don't see a time  
You won't ever hesitate to hurt me  
With no reason why  
Hey

I'm thinkin' it through now  
It's you I adore  
Been thinkin' so much now  
I know not what we're for

I won't ever, ever love you baby  
I don't see a time  
You won't ever hesitate to hurt me  
With no reason why  
Hey

Yeah Yeah
