

# I Will

The Vogues

I don't want to be the one to say I'm gonna miss you  
But I will (I will)  
I don't want to say I'm gonna cry my eyes out baby  
But I will (I will)  
I'm not ashamed for you to know how much I really love you so  
Cause it was such a thrill  
And just remember when you're gone there'll be that someone sad  
who loves you still

You will look at him and see me smiling back at you  
I know you will (You will)  
You will find yourself repeating things we used to do  
I know you will (You will)

But don't wonder if you want to come back just come running home to me and let me feel that thrill  
'Cause I'm the one who told you  
I would love you dear forever and I will (I will)

You will look at him and see me smiling back at you  
I know you will (You will)  
You will find yourself repeating things we used to do  
I know you will (You will)

But don't wonder if you want to come back just come running home to me and let me feel that thrill  
'Cause I'm the one who told you  
I would love you dear forever and I will (I will)

I will (baby I will)  
I will (baby I will)  
I will
