

It's Getting Better

The Vogues

Once I believed that when love came to me
It would come with rockets, bells and poetry
But with me and you it just started quietly and grew
And believe it or not
Now there's something groovy and good
Bout whatever we got

And it's getting better
Growing stronger, warm and wilder
Getting better everyday, better everyday

I don't feel all turned on and starry eyed
I just feel a sweet contentment deep inside
Holding you at night just seems kind of natural and right
And it's not hard to see
That it isn't half of what it's going to turn out to be

Cause it's getting better
Growing stronger, warm and wilder
Getting better everyday, better everyday

And just like a flower that takes time to bloom
This love of ours is taking time to grow
Ba da da da...
And I don't mind waitin', I don't mind waitin'...
Cause no matter how long it takes
The two of us know

That it's getting better
Growing stronger, warm and wilder
Getting better everyday, better everyday
