

Just the Way You Are

The Vogues

It's not the color of your hair
Although it's lovely, you know
It's not the clothes that you wear
That makes me adore you so

It's just the way you are, girl
Everything about you
It's just the way you are, girl
Who could help but love you, yeah?

The way you tiptoe to kiss goodnight
The way you laugh when I clown
Everything you do is right
You pick me up when I'm down

It's just the way you are, girl
Everything about you
It's just the way you are, girl
Who could help but love you, yeah?

There's not a thing wrong about you
Perfect in every way
I'll go crazy without you, girl
If you ever go away
Yeah, yeah, yeah, yeah

The way you tiptoe to kiss goodnight
The way you laugh when I clown
Everything you do is right
You pick me up when I'm down

It's just the way you are, girl
Everything about you
It's just the way you are, girl
Who could help but love you, yeah?

Just the way you are, girl
Just the way you are
