

True Lovers

The Vogues

My best friend told me the other day, yeah
That my love has found, found somebody new
I said he was lyin' & he was bein' very cruel
Because we're
(We're true lovers) whoa whoa yeah
(We're true lovers) whoa whoa yeah
(We're true lovers) Are we?

I couldn't believe what my friend said, yeah
For how, how was he to know?
He seemed so very sure of himself, but how, how could it be?
Because we're
(We're true lovers) whoa whoa yeah
(We're true lovers) whoa whoa yeah
(We're true lovers) Are we?

(Sha la la, sha la la, sha la la, sha la la)
We planned so many things for the future
And that, that we'd be married soon
But now our love, our love has ended
And there's nothing, nothing I can do, whoa whoa yeah

Now it's all over, love's at an end, yeah
Oh yes, she was with my best friend
Our love is over, yes our love is out the door
And now we're
(We're true lovers) no no no no more
(We're true lovers) no no no no more
(We're true lovers) no no no no more
(We're true lovers) no no no no more
