

## And She Closed Her Eyes

The Walkabouts

And she closed her eyes and said  
No I'm not in love  
I'm not in much for real  
And the hood fell off her head  
And her face got wet  
I held my part of the deal

I've been growing older he thought  
And he smiled and said  
You've got the saddest face i've seen  
And when she didn't seem to listen at all  
He said I'm getting wet  
You held your part of the deal

And she closed her eyes and said  
No I'm not in love  
I'm not in much for real  
And the hood fell off her head  
And her face got wet  
I held my part of the deal
