

I Can't Let It Happen To You

The Walker Brothers

I can see you standing there outside
Where you going girl? You have no place to hide

You worry me
Cause I can see you've lost your pride

And I Can't let it happen to you

Now he's gone, but with him went your dreams
But hang on girl, It's not as bad as it might seem

You've lost your heart
Drifting apart from love you seek

And I Can't let it happen to you

You've lost your heart
Drifting apart from love you seek

And I Can't let it happen to you
