

# Living Above Your Head

The Walker Brothers

Seems so strange,  
You puttin' me through changes

I can't believe that you're the same sweet girl,  
That I once knew  
And baby, the changes coming on don't look so good  
Too good on you

It seems so strange,  
You puttin' me through changes  
Baby, you started doing  
Things you should not be doin'

Living above your head, girl  
Coming on way too strong  
Living above your head, girl  
Something has got to go wrong

Baby, don't think that I don't know you goin' out  
With other guys  
And Baby, 'though it hurts me so, you know that I'm so  
So hypnotised

So let's not fight,  
Kill all the love inside of me  
Baby, you started doing  
Things you should not be doin'

Living above your head, girl  
Coming on way too strong  
Living above yer head girl,  
Something has got to go wrong...  
...with our love, with our love

Livin' above your head...
