

Lonely Winds

The Walker Brothers

Lonely winds, keep right on blowin'
Lonely winds, you know where she's goin'
Won't you bring, wow bring, yeah bring now, wow bring
Bring my, my, my little bitty girly on home to me
Lonely winds, all of the time
Lonely winds, can't help but cry
Won't you blow, wow blow, yeah blow now, come on blow
Blow my, my, my little bitty girly on home to me
Lonely winds, I'm all alone
Lonely winds, wow so lonely
Won't you bring, wow bring, yeah bring now, wow bring
Bring my, my, my little bitty girly on home to me
Keep right on blowin', keep right on blowin'
