

No Regrets

The Walker Brothers

I know you're leavin' it's too long overdue
For far too long I've had nothin' new to show to you
Goodbye dry eyes, I watched your plane fade off west of
the moon
And it felt so strange to walk away alone

There's no regrets, no tears goodbye
I don't want you back, we'd only cry again
Say goodbye again

The hours that were yours echo like empty rooms
The thoughts we used to share I now keep alone
I woke last night and spoke to you not thinking you
were gone
And it felt so strange to lie awake alone

There's no regrets, no tears goodbye
I don't want you back, we'd only cry again
Say goodbye again

Our friends are trying to turn my nights to day
Strange faces a new place can't keep the ghost away
Now just beyond the darkest hour and just behind the
dawn
It still feels so strange to lead my life alone

There's no regrets, no tears goodbye
I don't want you back, we'd only cry again
Say goodbye again

There's no regrets, no tears goodbye
I don't want you back, we'd only cry again
Say goodbye again
