

The Electrician

The Walker Brothers

Baby it's slow
When lites go low
There's no help no
Baby it's slow
When lites go low
There's no help no
He's drilling thru the spiritus sanctus tonight
Thru the dark hip falls screaming oh you mambos
Kill me and kill me and kill me
If I jerk the handle
You'll die in your dreams
If I jerk the handle
Jerk the handle
You'll thrill me and thrill me and thrill me
Baby it's slow
When lites go low
There's no help no
