

Thinking of a Dream I Had

The Walkmen

I'm waiting on a subway line
I'm waiting for a train to arrive
I'm thinking of a dream I had
Maybe you're right

We're gonna have a good time tonight
'Cause when you're coming around you'll be sorry for the plans
we made
when you're coming around, you'll be sorry for the things you said
so don't lead me on

And when you're coming around you'll be sorry for the things you
said
Because no one speaks to me that way, and me, I'll be hanging from
the ceiling fan
