

## And You Don't Stop

The Walls Group

Ever, ever since I can remember  
You've always been right there for me  
And no matter what I was doing  
You let me see  
How life should be  
Cause You make it better by covering me  
And You don't stop

When my way gets a little cloudy  
And my nights get a little rough and lonely  
No matter what's going on  
You give me peace  
You comfort me  
You make it better  
Your love never leaves  
And it don't stop

And You never change  
And You stay the same  
Lord, You do it for me  
And Your love is on repeat

Every day, every day with You Lord  
It gets sweeter, sweeter than the day before  
And no matter how I might be feeling  
I look to You  
Can't count on myself  
You are that very present help  
And it don't stop

And You never change  
And You stay the same  
You do it for me  
And Your love is on repeat

You keep on loving me  
(And you don't stop)  
You keep on proving and I just love what you're doing  
(And you don't stop)  
You do it over and over again  
(And you don't stop)
