

# High

The Walls Group

The King is here  
Let's make a scene  
No stars allowed  
No V.I.P.  
Come as you are  
No fake I.D.  
Sinner or saint  
Here we're the same  
So take a seat

Anybody wanna be healed? Say  
By His stripes, we have new life  
If you wanna live forever and real say  
Sorry you won't find it down here

That's why we go  
High  
This world don't care nothing 'bout us, that's why we go  
High  
Here we come again, broken with our hands up  
High  
Somewhere far beyond the sky  
We're chasing you, let's go  
High

The King is here  
The great I am  
Take off your crowns  
We lay them down  
Before the Lamb  
We're gathered here  
For God's only Son  
We hit the stage  
Just for ano, the other one

Anybody wanna be changed? Say  
Drink the Living Water, it never runs dry  
If you wanna live far away, say  
Sorry that won't happen down here

That's why we go  
High  
This world don't care nothing 'bout us, that's why we go  
High  
Here we come again, broken with our hands up  
High  
Somewhere far beyond the sky  
We're chasing you let's go  
High

If anybody wanna be healed, say  
By His stripes we have new life  
If you wanna live forever and real, say  
Sorry you won't find it down here

That's why we go  
That's why we go

That's why we go  
That's why we go

Uh, let's get higher up  
I swear the top just ain't high enough  
And first class just ain't fly enough  
'Cuz where we tryna go, we never been before  
You wanna go high? All up in the clouds look down, wave bye  
We clean now, we know the King now, sets free now  
That's why we go high  
Ain't no haters, no broken hearts and no pain left  
No keeping secrets, no telling lies  
And no cover-ups, we don't need disguise  
We high, already in the skies  
We high, already in with God  
I mean who you know lived the life you can't live and died  
For your sins like he was God?

It's in the air  
I feel it in the wind  
The time has come  
Let the praise begin  
See Christ is our life  
So we'll never die  
But you get to choose  
To win or lose  
So don't sleep tonight

That's why we go  
High  
This world don't care nothing 'bout us, that's why we go  
High  
Here we come again, broken with our hands up  
High  
Somewhere far beyond the sky  
We're chasing you let's go  
High  
High
