

Hunk Beach

The Walters

I don't want to be bad, I don't want to be good
But I've been telling no lies and you misunderstood
Now I'm leaning your way again
I've got some plans and I've got no doubts
And we would be better than we used to be
Now, you'll see

Staring at me across the room
You're whipping your hair and you're tapping those shoes
I've got you

You come and you go, I need you
I'm in the back room with this girl, she's not like you
If you stick around with me, I'll show you
That everything's fine, we'll be okay

I don't mean to be hard on you
I just want to feel something new
Don't you feel it too?

You come and you go, I need you
I'm in the back room with this girl, she's not like you
If you stick around with me, I'll show you
That everything's fine, we'll be okay

You, you got me feeling alright
You, you got me feeling alright
You, you got me feeling alright, alright
You, you got me feeling alright, alright
You, you got me feeling alright, alright
You, you got me feeling alright
