Lover

The Walters

You're asking me why the stars never shine here in LA
If I knew somehow I wouldn't tell no one
I give up my heart, and I try to please everyone
But you were caught in a lie, now it's time I find someone

I need a lover to right my wrongs
I need a new love to sing my songs
I need a lover to bring me back to when I was young

You're asking me why the stars never shine here in LA
I answer to you the way that I do every day
With a little smile, there's no need to say anything
I've gotta leave you alone 'cause this ain't the life that is m
eant for me

I need a lover to right my wrongs
I need a new love to sing my songs
I need a lover to bring me back to when I was young
I need a long drive up and down the coast
It's the freedom that I want most 'cause
Sometimes I have to let go, and get back to when I was young

When I was young, oh-ooh
When I was young
(Sometimes I have to let go)
When I was young, oh-ooh
(Sometimes I have to let go)
When I was young
(Sometimes I have to let go)
