

# Make You Mine

The Walters

In the evening after work  
You're coming home in that blue skirt  
A silhouette, a happy dream  
Where have I been, where have I been?

You said that you wanted me  
It's best that I believe

I'll make you mine girl, yeah, I need it  
I'll make you mine girl, I believe it 'cause  
Hearts thumping a thousand beats  
You know you want me

Afternoons in the hall  
You're my favorite of them all  
I can see behind those eyes  
I need you bad, I need you bad

Said that you wanted me  
It's best that I believe

I'll make you mine girl, yeah, I need it  
I'll make you mine girl, I believe it 'cause  
Hearts thumping a thousand beats  
You know you want me

I'll make you mine  
I'll make you mine
