

# Have Some Fun

The Wanted

Chorus (The Wanted):

All I wanna do is have some fun  
(Mr. WorldWide)  
I got a feeling, that I'm not the only one  
(The Wanted)  
All I wanna do is take you ho-o-o-me  
I got a feeling, this party has just begun  
(Afrojack)  
It's all I want  
(reporting live from the UK)  
I got a feeling, that I'm not the only one  
It's all I want  
And I got a feeling, that you're gonna give me some  
It's all I want  
Baby, it's all I want

Pitbull:

You know the type of women that I like  
The ones that understand my life  
The ones that understand wrong is right  
Let's do some wrong tonight  
You name it I'll do it, all is the fluid,  
I'm Spanish influent, that means my tongue is bilingual  
Ready to play with that spot that you tingle  
Uh got a dingo, she's a star, Ringo  
Her and 2 friends? Mmm, I like that lingo  
She asked if I'm single,  
I said of course not, and she loved it  
Next thing you know, we were both having fun in public  
Hahaha

Chorus (The Wanted):

All I wanna do is have some fun  
I got a feeling, that I'm not the only one  
All I wanna do is take you ho-o-o-me  
I got a feeling, this party has just begun  
It's all I want  
I got a feeling, that I'm not the only one  
It's all I want  
And I got a feeling, that you're gonna give me some  
It's all I want  
Baby  
It's all I want

Pitbull:

You know I love an open mind  
(mind)  
So I can see what you thinking  
(thinking)  
That way I could give you exactly what you want  
Matter of fact what you drinking  
Some call it pimping, I call it leverage  
I call it slipping, they call it marriage  
She got me up like the Eiffel tower  
No Paris, momma you can f\*ck like the rabbits  
But no diamonds, no karates  
She asked if I was single, I said of course not

And she loved it  
Next thing you know, we were both having fun in public

Chorus (The Wanted):

All I wanna do is have some fun  
I got a feeling, that I'm not the only one  
All I wanna do is take you ho-o-o-me  
I got a feeling, this party has just begun  
It's all I want  
I got a feeling, that I'm not the only one  
It's all I want  
And I got a feeling, that you're gonna give me some  
All I wanna do is have some fun  
I got a feeling, that I'm not the only one  
All I wanna do is take you ho-o-o-me  
I got a feeling, this party has just begun  
It's all I want  
I got a feeling, that I'm not the only one  
It's all I want  
And I got a feeling, that you're gonna give me some  
It's all I want  
Baby it's all I want  
Baby It's all I want

Baby it's all I want
